

A pregnant woman with long brown hair, wearing a black and white striped long-sleeved shirt, is lifting a young child into the air. The child is wearing a white long-sleeved shirt, khaki cargo pants, and brown sneakers. They are outdoors in a grassy area with trees in the background. The woman's belly is visible, and she is smiling. The child is also smiling and has their arms outstretched. The text "When you're a mom, being tired isn't an option." is overlaid in yellow with a black outline.

**When you're a mom,
being tired isn't
an option.**
